<DIVISION _____

STATEWIDE STUDENT ASSESSMENTS AND STUDENT DATA

Sec. _____. Section 256.7, subsection 21, paragraph b, subparagraph (2), Code 2015, is amended to read as follows:

(2) Notwithstanding subparagraph (1), for the school year beginning July 1, 2016, and each succeeding school year, the rules shall provide that all students enrolled in school districts in grades three through eleven shall be administered an assessment during the last quarter of the school year that at a minimum assesses the core academic indicators identified in this paragraph "b"; is aligned with the Iowa common core standards in both content and rigor; accurately describes student achievement and growth for purposes of the school, the school district, and state accountability systems; and provides valid, reliable, and fair measures of student progress toward college or career readiness. However, if the state board proposes rules providing for a statewide assessment other than the assessment approved pursuant to subparagraph (1), the state board shall submit its proposed rules to the general assembly and shall not adopt such rules unless the proposed rules are specifically authorized by a constitutional majority of each house of the general assembly and approved by the governor.

Sec. _____. Section 256.7, subsection 21, Code 2015, is amended by adding the following new paragraph:

NEW PARAGRAPH. d. The state board and the department shall not enter into an agreement with any entity that has or has had an agreement with any federal governmental agency or with a third party that has or has had an agreement with any federal governmental agency, to share personally identifiable student data, or that is working with any federal governmental agency to develop a strategy to make available, on an ongoing basis for research, personally identifiable student data that results from services provided by the entity to the state.>

2. By renumbering as necessary.
